Good News from Spain

Dear Michigan friends,

We are gearing up for a couple of our busiest months here in the ministry in Spain. We look forward to the opportunities that will come our way for strengthening the friendships we've made with contacts as well as helping the Alpedrete Church grow. Here's a quick glance at some of the things on our calendar:

- **May 6-8—Apologetics Forum for pastors** (Tim and Anthony Edgmon will be going with two of our lay preachers to this event near Barcelona, Spain.)
- **May 7—Evangelical Olympics in Madrid**
- **May 29—Baptisms** (We have three candidates this year. One of them is our daughter, Ana.)
- **June 17—ETEAM Spain arrives**
- **June 19—Youth Sunday in Alpedrete Church**
- **June 25—End-of-the-year party for kids in Alpedrete in a local park**
- **June 29—ETEAM Spain leaves** (and also Alejandro will fly with them to the States for "Truth and Peace")

Scattered among this will be several guest speakers at the Alpedrete Church, finishing up our ladies' Bible study on Esther, completing discipleship studies with baptism candidates, and lots of other activities related to the end of the school year. We are also involved in activities in a new town where we are considering a future church plant. Though the days are sometimes long, the years are short as we try to reach as many for Christ as possible. Thank you for your prayers and support!

Tim, Kristi, Alejandro, and Ana

The Anderson Update

Debbie arrived safely in Cote d'Ivoire on Sunday night with no problems. From that time on, though, this week was filled with many unexpected detours and delays, but all to God's glory and for our good.

The wire transfer for our vehicle came on Monday, so Verlin arranged to buy the truck we chose the day after. When he arrived Tuesday to close, the seller had sold the truck to another person because the boss thought we were misleading him about the money delay. Verlin met with the boss, and in the midst of negotiating for another truck of the same model, he began to have severe pain in his right side. Missionary friends took us to a hospital ER in Abidjan that evening where Verlin was admitted and passed a kidney stone Wednesday morning. He stayed in the hospital until Thursday, at the doctor's request, to flush the kidneys with fluids and antibiotics. He tried to finalize the truck sale while in the hospital, but the meeting turned into a heated debate between our Christian

legal counsel and the seller over a missing legal document. That night we thought the deal had fallen through. Instead, by Thursday noon, the parties had worked things out, and the seller threw in some bonuses for our trouble. Praise the Lord for His many blessings at the end of convoluted detours!

Prayer Points:

- We rejoice that Verlin's kidney stone did not happen in Bondoukou, seven hours north!
- Our Toyota Hilux truck is truly an "ooh and aah" blessing at 2/3 to 1/2 the cost at the dealer new, yet with fewer than 3,000 miles on it. It is the same model used by police, utility companies, government agencies, etc., and so parts should be readily available for years. The Lord showed us favor. It is that simple.
- The national CHE Association meets today at Abengourou. We are missing it because of truck paperwork to finish on Monday and a doctor's follow-up visit for Verlin.

The last week of April, Verlin is scheduled to provide TOT1 CHE training to a group of leaders from three denominational churches, an interdenominational NGO, and other non-affiliated Christians in the Abidjan area.

Your Partners in the gospel,
Verlin and Debbie Anderson

The best remedy for a sick church is to put it on a missionary diet.

The church that is not a missionary church soon will be a missing church.

The early church was a believing church, an obedient church, a steadfast church, a praying church, a worshiping church, a joyful church, a praising church, an effective church, a growing church.

The Shiloh Free Will Baptist Church Closes

After struggling for the last several years the Shiloh Church has voted to close, As of May the First Latin Baptist Church will be using this facility.

The first Teen Scene we attended after moving to Michigan (1983) was at the Shiloh Church. This is a beautiful facility but decreasing attendance and lack of funds and manpower to maintain the building led to the decision to close. And for the last several years this has become a Latin American community. Please pray for the members of the Shiloh Church as they relocate to other churches and continue serving the Lord. Also pray for the church that will be using the building that they will be effective in reaching that community for our Lord.

There are several Michigan Free Will Baptist churches that are struggling numerically, financially, and spiritually. Please pray for revival in our personal lives and in our churches.

Board of Retirement has a New Website

During the first quarter of 2016 we started the process of updating our website. The overhaul of the site is intended to make it easier for our participants to retrieve and receive information on our site. The New site went live today. The new site includes a members' section, where members of the Board of Retirement can login and view account balances, transactions, personal information, and download statements. The new site is also mobile friendly, so you will be able to view the site from your smartphone or other mobile device. We believe this will be a welcome improvement over the previous site's capabilities.

Michigan Women Active for Christ

A Letter to Women from the President **LADIES OF MICHIGAN!**

A great event has been planned by the Michigan WAC board for you to attend this fall! It takes place in September in Sandusky, Ohio. The dates are the 22nd to the 24th to gather together at the Conference Center at Kalahari. This place offers many of the requests from your surveys. The theme is "On the Dot" and Mona Duke is our speaker. We are excited about all that is planned. We are praying for 100 plus ladies to attend this year. Beside our planned events, there is much to do at Kalahari and in the area nearby during free time. The retreat is open to all ladies! You need not have a WAC group to attend. At this facility, there are rooms to hold up to ten people. Forms are available now and deposits are due by August 5th to Susan Newton of the Pontiac church. If you have questions, contact me or Susan. It is going to be great! Don't miss it!
